Videos for adolescents:

Compulsive Gambling Signs and Symptoms: (stop and discuss the adolescent involvement)

What the Bleep Do We Know: Sometimes the younger generation is more susceptible than the older generation. This can be the entire DVD or just the last scenes.

Down the Rabbit Hole: Very intense, but parts can be used effectively with adolescents
48 Hours Gambling With Your Life: May be hard to get a hold of as it was a segment on poker player (Melanie Morgan), day trading, and scratch tickets. This was on TV with Dan Rather probably at least 5 years ago. Highlights poker player and withdrawal phenomena.

Internet assignments for adolescents:

Find out what the physical affects of the stress of gambling are and what they do to the body.

Explore the suicide rate of pathological gambling compared to other disorders.

Find out the prevalence of problem and pathological gambling for adults and compare to adolescents. Explain why you think there is a difference.

NOTE: OTTUMWA, IA'S ANOTHER CHANCE GA GROUP NOW HAS AN EMAIL ADDRESS FOR THOSE THAT ARE TOO TIMID TO JUST WALK INTO A MEETING. IT IS anotherchance@iowatelecom.net

Thanks for sending the email address out on your list serve.
